## Meets

**General Overview:** The Kids Bible Quiz Season runs from October to April. The location of each meet rotates between a few locations. During the meets, all the quizzers meet at the host location for opening remarks, directions, prayer, and directing officials and quizzers to their places. **Each team must have a coach and 2 officials to compete at the meet; this is why it is imperative that volunteers try to attend every meet.** The quizzers quiz a few rounds followed by lunch. After lunch, if quizzing is complete, an assembly of all quizzers is held for the distribution of awards. After the awards ceremony, quizzers are free to leave or will be dismissed by bus if picked up by Paper Planes Ministries.

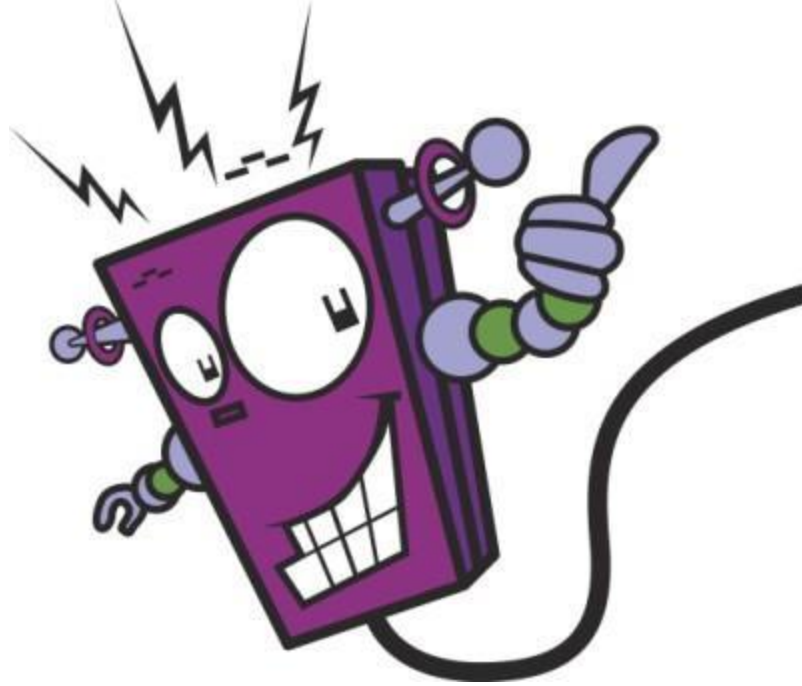

# Quizzing Format:

20 Questions:

---

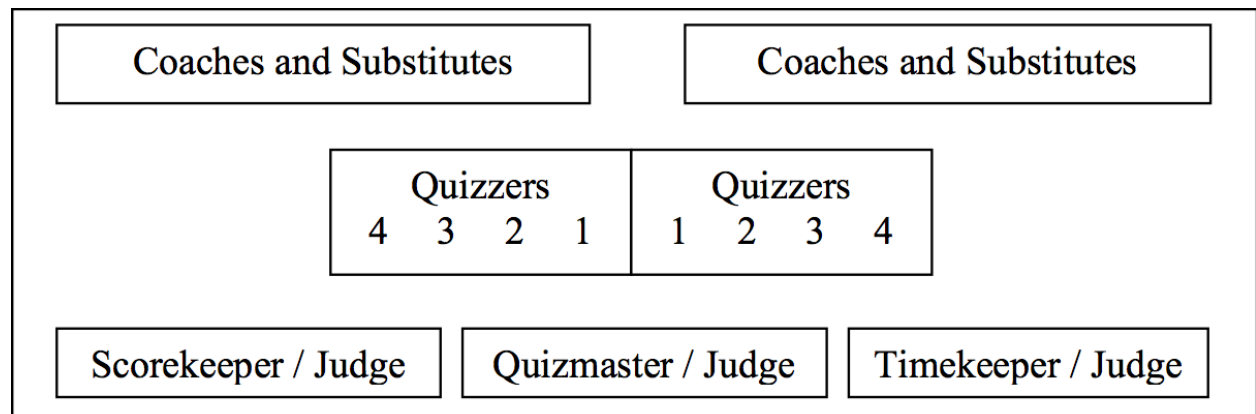

---

---  
---  
-

10- 10 point questions 7- 20 point questions 3- 30 point questions

**Quiz out** Answering 6 questions correctly in a match is called a **quiz-out** and the quizzer leaves the match and is given 10 bonus points.

**Incorrect Answers-** Half of the questions point value is subtracted from the quizzers score for incorrect answers

**Error out** Answering 3 questions incorrectly is a called an error out (also referred to as a reverse quiz-out, or backward quiz out) and the quizzers leave the match to sit with the coach or parents.

**Interrupting a Question** If a quizzer buzzes in before the Quizmaster finishes reading the question then the quizzer must finish the question and give the answer.

**Essence** Answers to questions are judged correct if they contain the main idea (essence) of the answer

**Quotation Questions** Answers to Quotation Questions must be recited word for word without stuttering, repeating, or adding other words to the quote. The question portion does not have to be word for word; it only has to include the essence of the question.

**Brackets** Words in the brackets of the answer are optional for a quizzer to learn. **[optional]**
